

PREMIER PLUS MECHANICAL BREAKDOWN INSURANCE

Although modern vehicles are becoming more and more reliable, the components used are becoming increasingly expensive to replace when a mechanical breakdown does occur.

Your policy from AutoProtect is designed to help with the bills which arise when a mechanical fault requires expert repair. It may pay towards the cost of repair or replacement (parts, labour and VAT) should any covered component fail.

There is no excess and no limit to the number of claims you can make during the life of the policy.

Extra Benefits

- Day One Cover
- Unlimited Mileage
- Unlimited Claims
- European Cover
- Replacement Vehicle Hire
- Overnight Accommodation
- Forward Transportation
- Roadside Recovery

Round the clock protection for the road ahead

PREMIER PLUS POLICY PARTS INCLUDED

All mechanical and electrical components are included against any mechanical breakdown during the policy period, provided that the terms and conditions of the policy are fully complied with.

TRANSFER OF OWNERSHIP

The benefit of your policy is transferable should you sell the vehicle to a private individual.

If you choose the AutoAssist membership option, and you pay the extra premium (**as detailed on your policy proposal form**), you will be entitled to the AutoAssist services in the event of a vehicle breakdown. A breakdown is defined as an electrical or mechanical failure within the UK which immediately renders the vehicle immobilised.

This is a dynamic emergency assistance service designed by experts to suit you. AutoAssist is administered on our behalf by Call Assist who operate a 24 hour, 365 days-a-year service for you should your vehicle experience a breakdown. The Call Assist Rescue Controllers are trained to the highest degree and are backed by the latest computer technology and mapping facilities together with a fully trained network of Recovery Operators throughout the UK.

What Your Cover Includes

Roadside Assistance

One telephone call will bring help at the roadside if you breakdown or your vehicle is immobilised. AutoAssist will provide a fast dependable service to get you going again.

Recovery

If your vehicle cannot be repaired at the roadside we will take your vehicle to the nearest authorised repairer or if not possible, to the destination of your choice.

Home Assist

You can rely on AutoAssist to attend a breakdown at your home or work to get you going again. Should this not be possible your vehicle will be taken to an authorised repairer.

The parts listed, recovery and extra benefits are subject to certain limitations. Please refer to the full terms and conditions.
