Whether you have purchased a car, motorcycle, caravan, motorhome, van or lorry, we want to make it as affordable as possible to protect your vehicle for the road ahead. By opting into AutoProtect's Flexipay - Insurance Premium Funding Plan you can spread the cost of any of our insurance products over a period of 9 months.

Setting up payments is straightforward, we do not need to check your credit status and the service is available to all UK residents.

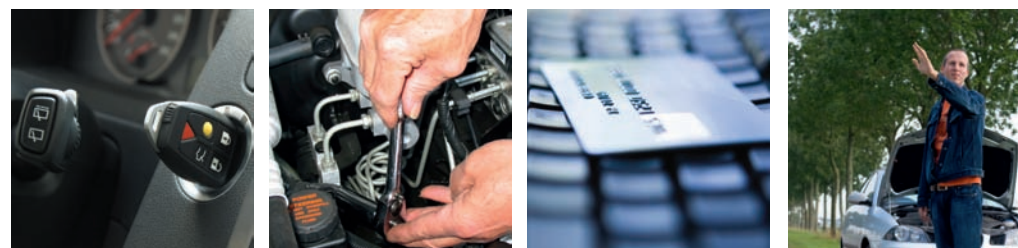

EXAMPLE:

AutoProtect Product - Price	£355.50
Customer Deposit 20%	£71.10
Balance to Spread	£284.40
Monthly Payments x 9	£31.60
Premium Funding Charge	£00.00

We will require an initial deposit of 20% of the total price of your insurance(s), paid by credit or debit card. The balance outstanding is then paid by direct debit over a 9 month period.
