For an additional fee you can opt for Motorhome Assist membership as part of your policy. This will give you access to the following services in the unfortunate event of a mechanical failure or breakdown.

Motorhome Assist is administered on our behalf by Call Assist who operate 24 hours a day, 7 days a week, 365 days per year. The Call Assist Controllers are trained to the highest degree and are backed by the latest computer technology and mapping facilities together with a fully trained network of Recovery Operators throughout the United Kingdom and mainland Europe.

What will happen should you breakdown at the Roadside?

A Recovery Operator will be sent to the scene of the breakdown to get you back on the road quickly. If they are unable to repair your motorhome at the roadside they will arrange for you and your motorhome to be taken to the nearest garage for repair. In the unfortunate event of that not being possible they will arrange for your motorhome and you to be transported to your home.

What will happen should I breakdown at Home?

Should your vehicle breakdown at home or within a one mile radius of your home, we will send a Recovery Operator to help get you on the road. If that's not possible we will arrange to transport your Motorhome to the nearest garage. The Motorhome Assist policy also makes payments towards:

- **Alternative travel arrangements whilst your motorhome is being repaired.**
- **Emergency Overnight Accommodation.**
- **Recovery of Caravans and Trailers attached to your motorhome Message Service.**

- **Providing assistance in most European Countries.**
- **European Recovery.**
- **Onward Transportation – during your holiday.**
- **Additional Overnight Accommodation.**
- **Replacement driver.**
- **Repatriation.**
